Multiple locations each with unique Merchant ID

Single or primary locations charges above apply for each location/Merchant ID

Pricing details:

- Any location with a unique Merchant ID that accepts, transmits, or stores cardholder data must validate compliance as a separate entity.
- If multiple locations share the same Merchant ID, one joint questionnaire validates compliance for all locations.
- If multiple locations, each with a unique Merchant ID, each must submit it's own questionnaire and scan (if applicable).
- The above fees will be collected via an invoice adjustment:
 - Once per year for the questionnaire
 - Quarterly for each scan (if applicable)
- Any of the following changes will require an additional scan:
 - Change to a different Internet Service Provider (ISP)
 - Change phone equipment
 - Change hardware (new computer, server, etc)
 - Change in Internet connection
 - New web site
- It is extremely important to provide information requested by the dates provided so compliance reporting deadlines can be met. Otherwise, the \$19.95 per month non-compliance fee will apply.
